NYIWA Charity Wine Event Offers Outstanding Wine & Food

10/6/2016- Verona, NY—The 21st Anniversary New York International Wine Auction (NYIWA) celebration boasts spectacular gourmet food and wine expertly paired for the evening.

The Turning Stone Resort • Casino culinary executive staff and NYIWA team members have paired selected wines with a gourmet five-course menu, which will be offered Saturday, November 5, at the Turning Stone Resort . Casino in Verona, NY.

All five food and wine courses are listed at NYIWA's website, www.nyiwa.com, along with a reservation form to pay online for tickets. Individuals can also call Auction Director Tony Vennera at (315) 574-7355 or email: tvennera@nyiwa.com for more information.

The evening showcases a silent auction and international wine tasting, and a five-course gourmet dinner and live auction. NYIWA offers for auction: classic and unusual international and domestic wines, travel and dining opportunities, jewelry, collectibles, artwork, and other fine lifestyle items.

Proceeds benefit unfunded and underfunded programs at Arc Herkimer, a Herkimer County NYSARC, Inc. Chapter, which serves individuals with developmental and other disabilities in Central New York.

NYIWA was created to offer a unique event to raise funds on behalf of programs for people with disabilities. Celebrating its 21st anniversary year, NYIWA has become a premiere wine event, attracting donations from some of the best and most important wineries in the world. Renowned Auctioneer Ed Gold of Stellar Fundraising Auctions in California will travel to Central New York to make the event exciting and fresh.

Arc Herkimer's mission is empowering people with disabilities and enriching lives throughout our community. For more information, visit archerkimer.org.
