**Spotlight:
2019 NYIWA THEME: 50 for 50**
Luxurious Lots, Tantalizing Tuscany, and
Mesmerizing Mentalist

The 24th annual New York International Wine Auction is coming up and Arc Herkimer has great things planned for our biggest fundraiser of the year! Because Arc Herkimer is celebrating our 50th Anniversary, NYIWA's theme will reflect a 'golden' celebration. This year we are featuring 50 Silent Auction lots and 50 Live Auction lots—50 for 50—that incorporate a reflection on 50 years of exceptional supports and services. NYIWA Attendees are sure to have a fabulous time!

Featured in our Live Auction is a vertical of "Three Big Boys from Sonoma" that is sure to impress! This lot features three, 5-liter bottles of 2008, 2009, and 2010 Sonoma County Cabernet Sauvignon Réserve Spéciale from Arrowood Winery and is valued at \$2,400. The 2008 vintage integrates delectable aromas of chocolate, dark fruit, and oak, to create a structured finish. The 2009 features aromas of spice, cedar, tobacco, and black cherry—a perfect combination for autumn festivities. Finally, the 2010 is a precise blend of black cherry and black currant, intermixed with notions of loamy soils and vanillin. All three received Robert Parker ratings of 91 or above. This exquisite selection of wines is a must-have for any wine lover's collection!

▲ Shown above, an exquisite collection from Arrowood Winery available for bid—Valued at \$2,400.

▲ Tantalizing Tuscany—only one of five spectacular trips to be auctioned this year.

A charming trip to Tuscany is just one of the many experience lots we have available for bidding this year! This travel package includes a one-week stay at the gorgeous Casa Giulia in the heart of the Tuscan countryside, a gourmet cooking class during your stay, complimentary concierge service, and expert assistance in planning your stay. This trip is the perfect relaxing getaway to enjoy a beautiful country, delicious food and wine. Watch for our Live and Silent Auction Catalogs to be posted on our website in mid-September to view all of the wines, and other fine lifestyle items we have available.

Prepare to have your mind blown with mesmerizing entertainment! NYIWA 2019 will feature world famous mentalist Robert Channing. Channing has amazed thousands of audiences for years with his mind reading, hypnosis, and psychic abilities. You will be on the edge of your seat as Robert Channing amazes the crowd time after time, complete with a special glitter speed painting exhibition to be auctioned off.

Kucerak's Donation Really Hits 'Home'

Arc Herkimer received an extraordinary donation at the 2018 NYIWA. Thanks to Paul Kucerak's donation, Arc Herkimer not only broke a fundraising record, but was able to make major improvements to some residential homes.

Arc Herkimer needs to fundraise for these home improvements because the government does not provide the agency with funds to do so. "Because of the Kucerak family's generous donation, Arc Herkimer was able to move forward with much-needed renovations," said Arc Herkimer President/CEO Kevin Crosley.

Renovations to homes include electrical upgrades, various kitchen and bathroom improvements, installing new railings and other accommodations to help residents, that wouldn't otherwise be possible without donations like this one.

In addition to this donation to Arc Herkimer, Kucerak and his family also donated to the 2017 Fund-A-Need portion of the Wine Auction to support the agency's Arc Park, which is now a regional gem that

supports recreation for people of all ages and abilities.

When asked about why he donates to Arc Herkimer, Paul Kucerak said "they're great patrons for the community...my preference is to see the fruits of my labor go toward the Arc."

Donations like these coming to fruition for Arc Herkimer are what the New York International Wine Auction is all about.

Fundraising for Safety & Security

The Fund-A-Need portion of our annual event is what really allows NYIWA Attendees to show their love and passion for our mission, and helps raise significant funds to assist our agency in various ways. This year's focus is on Safety and Security.

Your generous donations will help fund the purchase of safety and security

equipment like alarm systems, AEDs, Stop-The-Bleed kits, and many other upgrades that will help Arc Herkimer to accomplish our mission in a safe and secure way. Arc Herkimer places the safety and security of the people we support and our employees above all else. We always strive to ensure the best possible environment for everyone. Your donations will help us do exactly that.

So when it's time to put those paddles in the air...think about the people we are empowering and the lives that we are enriching all because of people like you who support Arc Herkimer. We thank you in advance!
