### **Azienda Agricola Non-Vintage Si Gi Trebiano & Jujube Fruit Italian Dessert Wine**

*Donated by Friends of Arc Herkimer*

In Book Nine of the Odyssey, Homer tells the story of Ulysses and his men landed on the island of the Lotus Eaters in North Africa, carried off course by a storm. There, some of his men were tempted by the fruit of the lotus, a magical fruit that made them forget everything, their homesickness, their wives and families. Homer's lotus is thought to have been the Zizphus lotus, a wild jujube, and the spell of the lotus was caused not by narcotics, but by the wine of the fruits of the jujube.
